**Chateau Chantal Proudly Announces the 15 Days of Celebrate!**

Robert and Nadine Begin opened the doors of Chateau Chantal in 1993 with two ideas as the goal: great wine and unequivocal hospitality. As of this July this vision has successfully been the focus at 15900 Rue de Vin on Old Mission Peninsula in Traverse City for 15 years. In observation of the 15th anniversary and the Begin's achievements Chateau Chantal will be hosting the "Fifteen Days of Celebrate!" beginning on June 16<sup>th</sup>. During this two week period Chateau Chantal invites the public in a toast scheduled daily in the original cellar at 15:00 hours (3pm). The actual anniversary will be observed on July 1<sup>st</sup>, 2008 when the Chateau Chantal staff invites all to join for a piece of cake commemorating great wine and great company.
